COMMODITIES IN GENERAL, AS DEFINED IN R.103-211 (1):

The Application was later amended to read as follows:

COMMONLY TRANSPORTED IN ARMORED VEHICLES: Between

Subsequent to the initiation of this proceeding, the Commission Staff instructed the Applicant to cause to be published a prepared Notice of Filing in certain newspapers of general circulation in the State of South Carolina. The Notice of Filing indicated the nature of the Application and advised all interested parties desiring to participate in the proceeding of the manner and time in which to file the appropriate pleadings. The Petitions to Intervene filed by Anderson Armored Car Service, Inc. and Southeastern Freight Lines were withdrawn following the Applicant's downward amendment to the initially requested authority.

Upon consideration of the amended Application, the representations contained therein and the documentary evidence attached thereto, the Commission finds that the Applicant is fit, willing and able to perform the service to the public under the authority sought. The Commission also finds that the granting of the certificate is required by public convenience and necessity.

IT IS THEREFORE ORDERED:

Code Ann., Vol. 26 (1976), as amended, a certificate shall be issued to the Applicant authorizing the motor carrier services granted herein.

4. That prior to compliance with such requirements and receipt of a certificate, the motor carrier services authorized herein may not be provided.
